

EDUCATION

University of Washington - Seattle

(09/2020) - (09/2024)

Bachelor of Arts in Political Science, minor in Computer Science and Data Science, GPA: 3.4/4.0
Coursework: Data Structures and Algorithms, Statistics, Databases, Software Engineering

University of Washington - Seattle

(09/2025) - (06/2027)

Master of Science Information Management: Specializing in Data Science and Cybersecurity, GPA: 3.5
Coursework: Information Security, Business Intelligence, Strategic Leadership

SKILLS

Programming Languages and Database Management: Java, Python, R, MatLab, TypeScript, C++, MySQL, MongoDB, SQLite3
Web Development Technologies: React.js, Node.js, Express.js, Postman, Docker, Shadcn, Tailwind.css, MongoDB Compass, Snowflake
Core Cybersecurity Frameworks: NIST CSF, ISO 27001, ISO 42001, MITRE ATT&CK
Incident Management and Response Tools: Splunk,

EXPERIENCE

Data Analysis and Intelligent Systems Group - iCare Researcher

(01/2025) - Ongoing

- Currently researching sentiment analysis and adaptive conversation modelling using NLP (version 2)
- Styled user interfaces in comforting blue and soft shapes using Shadcn and Tailwind.css
- Contributed to user research and training of chatbot to provide therapeutic responses

O1 Code, Seattle - Web Development Intern

(09/2024) - (12/24)

- Built a REST API to collect sales data using Express.js, Node.js, MongoDB, and Typescript
- Created a sales visualization dashboard to enable clients to understand business trends and increase order fulfillment
- Proactively liaised with my supervisor and engaged clients to ensure complete delivery of dashboard features
- Tested the use of QR codes to facilitate ordering at drive-in style restaurants

University of Washington, Seattle - Undergraduate Student

- CSS 310 - Information Assurance and Cybersecurity
- CSS 341 - Data Structures and Algorithms in C++
- CSS 360: Software Engineering
- CSE 414 - Database Systems
- Q SCI 381 - Probability and Statistics in R
- IMT 558 - Leading and Managing Enterprise Information Security
- IMT 559 - Emerging Trends in Cybersecurity
- IMT 598 - Cloud Computing

Projects and Certifications

Certified Professional in Python Programming - OpenEDG Python Institute

(03/2025)

Advanced Object Oriented Programmings, Graphical User Interface Programming, File Processing, Network Programming, Coding Conventions

Google Cybersecurity Professional - Rice University

(03/2026)

Leadership

House of Wisdom, UW Chapter - Vice President, President

(09/2023) - (09/2024)

Founding member of the HOW at UW. Recruited members and organized events for the HOW nonprofit; created and taught an elementary coding class using SCRATCH.
